Hi there,

Thanksgiving is coming up fast and there are lots of decisions to be made. Green beans or Brussels sprouts? Pumpkin pie or pecan? (Answer: both.)

One thing you don't have to think about is the wine. Sun Basket has you covered with bottles to pair with everything on your holiday table.

YOUR GOES-WITH-EVERYTHING THANKSGIVING WINE

Albert Hertz Vielles Vignes

PINOT GRIS

If you're only going to drink one wine on Thanksgiving, let it be this mineral-driven Pinot Gris. It makes everything on your holiday table taste better, from the turkey and dressing to the green-bean casserole and the sweet potatoes, even the cranberries.

BRING ON THE SIDE DISHES

Cantina dei Colli Ripani

ROSSO PICENO DOC SUPERIORE 2015

Pass this lively red around the table when everyone starts digging into the holiday sides. It's a delicious partner for your braised greens, Brussels sprouts, and all your root vegetables.

A MERLOT THE WHOLE FAMILY CAN AGREE ON

Yorkville Cellars 'Rennie Vineyard'

MERLOT 2015

Mushrooms love this Merlot. So does your mother-in-law's wild-rice dressing. Pour it when your brother starts making eyes at the sweet potatoes, and when your favorite aunt reaches for seconds of cranberry sauce.
